Concentration	Picture Word Pairs	Visual Sequences
Concept Master	Presidents	Wigilance
Conceptual Pairs	Puzzler	Word Compare
Connect Four	Recall	Word Master
Cube Count	Relationships	Word Memory
Cubit	Resistor Code*	
Darth	Scope*	

* denotes vocation-specific exercises

All Brain Train® exercises are designed to increase functions of daily living. All exercises include elements toward memory (re)building while many contain logic puzzles that are truly “brain teasers.”

Many exercises also contain puzzles that challenge visual and spatial discrimination and memory. CORIL staff refers to Brain Train© as “mental floss.” One of us claims that “it’s the best thing since chocolate milk.”

We don't set people up for failure. Ever
