

Addendum #1
to
COIC Informal RFP CET 20-11
For Transportation Consulting Services

August 20, 2020

To: ALL REGISTERED VENDORS AND TO WHOM IT MAY CONCERN
From: Drew Orr, COIC Single Point of Contact
RE: ADDENDUM 1

All vendors are to accept the information contained herein as an official document of Central Oregon Intergovernmental Council.

This Addendum modifies the original Informal Request for Proposals (RFP) as noted below and shall be incorporated into the Contract Documents. All other provisions of the RFP CET 20-11, released August 19, 2020, not already modified by any addenda previously issued, shall remain unchanged.

Below, this Addendum provides responses to every request for clarification received thus far.

Question #1: Can the agency share an approximate budget or level of effort expected for this project?

Answer to Question #1: Generally, COIC does not release project budget information before a contract is fully executed. The level of effort required will depend on the qualifications of the firm. COIC Staff estimates that the selected firm will need to spend between 550 to 800 manhours over the four months allotted to complete the work.

Question #2: For teaming purposes, would you please provide a list of interested firms to which this solicitation was sent?

Answer to Question #2: Please see the attached list of all the firms that received the solicitation, in alphabetical order, and the sites that the opportunity is currently posted.
