RE: ADDENDUM 5

All vendors are to accept the information contained herein as an official document of Central Oregon Intergovernmental Council.

This Addendum modifies the original Informal Request for Proposals (RFP) as noted below and shall be incorporated into the Contract Documents. All other provisions of the RFP CET 20-11, released August 19, 2020, not already modified by any addenda previously issued, shall remain unchanged.

Below, this Addendum provides responses to all requests for clarification received after the release of Addendum #4.

Question #14: Will COIC be able to provide the consultant with on/off boarding/alighting data at the stop level for all bus routes?

Answer to Question #14: COIC installed new automatic passenger counter systems into the Bend fixed route vehicles in late 2019. Using this system's reporting function, COIC Staff will be able provide on/off boarding/alighting data at the stop level for the Bend fixed route system.
