- Focus of this meeting: The State's 5-year Integrated Report and subcommittee's roll

1:20 Presentation on 5-Year Integrated Review and Q&A
Oregon Water Resources Department
- Overview of 5-year Integrated Review mandate, process, and key themes
- Summary of high-level findings and the Department's plan for actions/next-steps
- How might the Department and the Subcommittee work together to improve the mitigation program and enhance its impact and efficiency?
- Q&A

2:30 Discussion: What does this mean for the Groundwater Mitigation Subcommittee's Next Steps?
Vernita Ediger, COIC
- For the relationship between the Subcommittee and the Department?
  - Where can the group speak with a unified voice?
  - Where can the group find alignment with OWRD?
  - How can we structure our work to support positive forward momentum but not be redundant with an OWRD-convened mitigation program workgroup?
  - Are there other (non-state led) mitigation program improvements that can be worked on (water marketing, etc.)
- For the scope of the Subcommittee's work?
- Is there an interest in a Subcommittee response to the 5-Year Integrated Report?
- Identify relevant questions, suggestions, and potential next steps

2:50 Summary and Timeline
Vernita Ediger, COIC
- Clarify: Timeline for next GWM Subcommittee meeting
- Clarify: Any other group agreements on next-steps
