SPECIAL THANKS & ACKNOWLEDGEMENTS

Deschutes County developed this Multi-jurisdictional Natural Hazards Mitigation Plan (NHMP) through a regional partnership funded by the Federal Emergency Management Agency's Pre-Disaster Mitigation Competitive Grant Program. FEMA awarded the grant to support the update of the natural hazards mitigation plan. The county's planning process utilized a four-phased planning process, plan templates provided by Oregon Partnership for Disaster Resilience (OPDR) and plan development support provided by the Community and Economic Development Department of Central Oregon Intergovernmental Council (COIC). This project would not have been possible without technical and in-kind staff support provided by Deschutes County and the cities of Bend, La Pine, Redmond, and Sisters.

Partners include:

Deschutes County	FEMA Region X
City of Bend	City of La Pine
City of Redmond	City of Sisters
Oregon Military Department – Office of Emergency Management	
Community and Economic Development, Central Oregon Intergovernmental Council

About Central Oregon Intergovernmental Council

"The Central Oregon Intergovernmental Council serves the local governments of Central Oregon, providing regional collaboration, efficiencies and service delivery for a strong local economy and quality of life."

In 1972, COIC was designated a Council of Governments organized under ORS 190. We provide services to the counties of Crook, Deschutes and Jefferson, the cities of Bend, Culver, La Pine, Madras, Metolius, Prineville, Redmond and Sisters, as well as the Confederated Tribes of Warm Springs. Our offices are located throughout Central Oregon. COIC employs more than 100 people and services in the following areas: employment and training, alternative high school education, business loans, transportation, and community and economic development. The majority of the COIC Board is comprised of elected officials appointed by each of these member governments. Other appointed members of the Board represent timber and wood products, business and industry, under and unemployed, agribusiness and agriculture, and tourism and recreation.

Plan Template Disclaimer

This Natural Hazards Mitigation Plan is based in part on a plan template developed by the Oregon Partnership for Disaster Resilience. The template is structured to address the requirements contained in 44 CFR 201.6; where language is applicable to communities throughout Oregon, OPDR encourages the use of standardized language. As part of this regional planning initiative, OPDR provided copies of the plan templates to communities for use in developing or updating their natural hazards mitigation plans. OPDR hereby authorizes the use of all content and language provided to Deschutes County in the plan template.
