### INFORMATION

The HUD Continuum of Care grant funds are awarded annually to providers in the Central Oregon Continuum of Care, OR-503, to provide rental subsidies with case management to households experiencing literal or chronic homelessness. Central Oregon is defined as Crook, Deschutes, and Jefferson counties. The CoC Program is designed to assist individuals and families experiencing homelessness and to provide the services needed to help such individuals move into transitional or permanent housing, with the end-goal of long-term stability. More broadly, the program is designed to promote community-wide planning and strategic use of resources to address homelessness; improve coordination and integration with mainstream resources and other efforts targeted to people experiencing homelessness; improve data collection and performance measurement; and allow each community to tailor its project(s) to the unique experiences and particular strengths of each community. Each year, HUD awards CoC Program funds competitively to nonprofit organizations, States, units of local governments, and/or instrumentalities of State or local government, collectively known as recipients. Recipients may contract or sub grant with other organizations or government entities, known as sub recipients, to carry out a grant’s day-to-day project operations.

### GENERAL SCOPE OF WORK

The application and technical submission of the two concurrent grants is estimated to take between 150 - 200 hours. The successful respondent will be required to commit to the timeline. The CoC applications are highly technical documents requiring a thorough understanding of the terminology used in the HUD application. Information for the application is gathered from the CoC governance body, local jurisdictions, service providers, and a community needs

assessment. We expect technical review of the application to comprise approximately 25% of the time commitment, with the majority of the remaining time being devoted to facilitating interactions between agencies, and ensuring a cohesive approach to addressing homelessness by interacting regularly with each interested organization and guiding their responses. It is crucial that each response in the application directly answers the questions asked by HUD, as applications are strictly graded based on their responsiveness.

### **Statement of Work**

- Review the Final Grant Inventory Worksheet to ensure the amounts requested in project applications and consolidated application do not exceed allowable requests listed in the Notice of Funding Allocation (NOFA)
- Ensure each submission is responsive to the specific elements in each question.

- Coordinate with the HLC to ensure the required rating and ranking processes are completed with the support of an independent review team
- Request necessary data from CoC HMIS lead (NeighborImpact) in a timely manner
- Complete CoC grant application in proper order and within 90 days from the release date of the NOFA
- Familiarity with Google Drive/Google Docs as much of the work is done collaboratively & asynchronously.
- Regular attendance HLC's Grant Committee Meetings (virtually, 4x per month, on Tuesdays through the duration of the grant cycle) and provide support with meeting agendas, notetaking, and project management.

## 6. WARRANTY

Contractor warrants to COIC that the Services will be performed by qualified personnel, in a professional manner, and in a manner consistent with the degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. Upon notice to the Contractor and by mutual agreement between the Parties, the Contractor, without additional compensation, will correct those services not meeting such a standard.

For purposes of this Agreement, "Creative Work" means any work that Contractor creates for or on behalf of COIC during the term of this Agreement.

Contractor's indemnification obligation provided in this Section 7.5 will survive the termination of this Agreement.

## 8. CONFIDENTIALITY AND NONDISCLOSURE

Upon the earlier of COIC's request or the termination of this Agreement, Contractor will immediately return to COIC any and all documents, instruments, and/or materials containing any Confidential Information accessed or received by Contractor, together with all copies and summaries of such Confidential Information. Notwithstanding anything contained in this Agreement to the contrary, this Agreement does not operate to transfer any ownership or other rights in or to the Confidential Information to Contractor or any other person.

8.3 Equitable Relief. Contractor acknowledges and agrees that the remedies available at law for any breach of the Nondisclosure Provisions by Contractor will, by their nature, be inadequate. Accordingly, COIC may obtain injunctive relief or other equitable relief to restrain a breach or threatened breach of the Nondisclosure Provisions or specifically to enforce the Nondisclosure Provisions, without proving that any monetary damages have been sustained.

8.4 Confidential Information - Defined. For purposes of this Agreement, the term "Confidential Information" means any and all information relating to COIC (in whatever form) that is received or assessed by Contractor, including, without limitation, trade secrets (as defined in ORS 646.461, as amended), business models, marketing and advertising plans, financial and technical information, computer software, customer and supplier lists, marketing plans, know-how, information concerning COIC's operations or clients, records, ideas, designs, drawings, specifications, techniques, programs, systems, processes, information derived from reports, investigations, research, work in progress, codes, marketing and sales programs, cost summaries, pricing formula, contract analyses, projections, confidential filings with any state or federal agency, and all other concepts, methods of doing business, ideas, materials, and information.

9.2 Immediate Termination for Cause. Notwithstanding anything contained in this Agreement to the contrary, COIC may terminate this Agreement immediately upon notice to Contractor upon the happening of any of the following events: (i) Contractor engages in any form of dishonesty or conduct involving moral turpitude related to Contractor's independent contractor relationship with COIC or that otherwise reflects adversely on the reputation or operations of COIC; (ii) Contractor fails to comply with any applicable federal, state, or local law, regulation, or

ordinance; (iii) problems occur in connection with Contractor's performance of the Services due to Contractor's breach of its obligations under this Agreement; and/or (iv) Contractor breaches or otherwise fails to perform any Contractor representation, warranty, covenant, and/or obligation contained in this Agreement.

9.3 Consequences of Termination. Upon termination of this Agreement as set forth in Section 9.2, COIC will not be obligated to reimburse or pay Contractor for any continuing contractual commitments to others or for penalties or damages arising from the cancellation of such contractual commitments. Within a reasonable period of time after termination of this Agreement (but in no event greater than ten (10) days after termination), Contractor will deliver all materials and documentation, including raw or tabulated data and work in progress, to COIC. Termination of this Agreement by COIC will not constitute a waiver or termination of any rights, claims, and/or causes of action COIC may have against Contractor. COIC will pay Contractor for services (referenced in Schedule 2.1) performed up to termination, upon detailed invoicing from Contractor to COIC.

9.4 Remedies. #### GENERAL.

Contractor (including its subcontractors, agents, etc) shall i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION, and CERTIFICATES OF INSURANCE before performance under the contract commences, and ii) maintain the insurance in full force, through annually renewing policies, throughout the duration of the contract. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are reasonably acceptable to State. Contractor shall not start work described herein until the insurance is in full force.

#### TYPES AND AMOUNTS.

i. **WORKERS COMPENSATION.** Insurance in compliance with ORS 656.017, which requires all employers that employ subject workers, as defined in ORS 656.027, to provide workers' compensation coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Employers liability insurance with coverage limits of not less than \$500,000 per accident, \$500,000 policy limit for bodily injury by disease and \$500,000 each employee for bodily injury by disease must be included.

ii. **COMMERCIAL GENERAL LIABILITY.** Commercial General Liability Insurance covering bodily injury, death, and property damage in a form and with coverages that are reasonably satisfactory to State. This insurance shall include personal injury liability, products, and completed operations. Coverage shall be written on an occurrence form basis, with not less than the following amounts as determined by State:

Bodily Injury, Death and Property Damage: \$2,000,000 per occurrence (for all claimants for claims arising out of a single accident or occurrence), \$4,000,000 General Aggregate and \$2,000,000 Products/Completed Operations Aggregate.

iii. **AUTOMOBILE Liability Insurance: Automobile Liability.** Automobile Liability Insurance covering all owned, non-owned, and hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits for "Commercial General Liability" and "Automobile Liability"). Automobile Liability Insurance must be in not less than the following amounts as determined by State: Bodily Injury, Death, and Property Damage:

\$2,000,000 per accident (for all claimants for claims arising out of a single accident or occurrence).

iv. **PROFESSIONAL LIABILITY INSURANCE.** Professional liability insurance with limits of not less than \$1,000,000 per claim, and \$2,000,000 in the aggregate.

**ADDITIONAL INSURED.** The Commercial General Liability Insurance, Automobile Liability and any Umbrella/Excess Liability insurance must include the Central Oregon Intergovernmental Council, its officers, employees, and agents as Additional Insureds but only with respect to the contractor's activities to be performed under this Agreement. Coverage must be primary and non-contributory with any other insurance and self-insurance.

**"TAIL" COVERAGE.** If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the Contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of this Agreement, for a minimum of 24 months following the later of: (i) the Contractor's completion and COIC's acceptance of all Services required under this Agreement or, (ii) the expiration of all warranty periods provided under this Agreement. Notwithstanding the foregoing 24-month requirement, if the Contractor elects to maintain "tail" coverage and if the maximum time "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the Contractor may request and COIC may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If COIC approval is granted, the Contractor shall maintain "tail" coverage for the maximum period that "tail" coverage is reasonably available in the marketplace.

**NOTICE OF CANCELLATION OR NON-RENEWAL.** Contractor or its insurer must provide 30 days' written notice to COIC before cancellation of or non-renewal of the required insurance coverage(s).

**CERTIFICATE(S) OF INSURANCE.** Contractor shall provide COIC a certificate(s) of insurance for all required insurance before the Contractor performs under the Contract. The certificate(s) or an attached endorsement must specify all entities and individuals who are endorsed on the policy as Additional Insured.

## Exhibit B Oregon Public Contract Provisions

**1. DELIVERY:** Deliveries will be F.O.B destination. Contractor shall pay all transportation and handling charges. Contractor is responsible and liable for loss or damage until final inspection and acceptance of the Goods. Contractor remains liable for latent defects, fraud, and warranties.

**2. INSPECTIONS:** Agency may inspect and test the Goods and related Services (collectively, Goods). Agency may reject non-conforming Goods and require Contractor to correct them without charge or deliver them at a reduced price, as negotiated. If Contractor does not cure any defects within a reasonable time, Agency may reject the Goods and cancel the PO in whole or in part. This paragraph does not affect or limit Agency's rights, including its rights under the Uniform Commercial Code, ORS chapter 72 (UCC).

**3. PAYMENT:** Agency shall pay Contractor within 30 days from (i) the date the Goods are delivered and accepted or (ii) the date the invoice is received, whichever is later. If Agency fails to pay within 45 days of such date, Contractor may assess overdue account charges up to a rate of 2/3% per month (8% APR) or the maximum rate allowed by law on the outstanding balance.

**4. STATE PAYMENT OF CONTRACTOR CLAIMS:** If Contractor does not pay promptly any claim that is due for Goods or Services furnished to the Contractor by any subcontractor in connection with this PO, the State may pay such claim and charge that payment against any payment due to the Contractor under this PO. The State's payment of a claim does not relieve the Contractor or its surety, if any, from their obligations for any unpaid claims.

**5. REPRESENTATIONS AND WARRANTIES:** Contractor represents and warrants that: (a) the Goods are new, current, and fully warranted by the manufacturer; (b) Delivered Goods will comply with specifications and be free from defects in labor, material and manufacture; (c) Contractor shall comply with the tax laws of this state and all political subdivisions; and (d) Contractor has no undisclosed liquidated and delinquent debt owed to the State or any department or agency of the State. All UCC implied and expressed warranties are incorporated in this PO. Contractor shall transfer all warranties to the State.

**6. TERMINATION:** (i) The Parties may terminate this PO by mutual agreement. (ii) Agency may terminate this PO at any time with written notice to Contractor. Upon receipt of the written notice, Contractor shall stop performance, and Agency shall pay Contractor for Goods delivered and accepted. (iii) Agency may terminate this PO at any time if Agency fails to receive funding, appropriations, or other expenditure authority. (iv) If Contractor breaches any PO provision, including the representations and warranties related to liquidated and delinquent debt, or is declared insolvent, Agency may terminate this PO for cause with written notice to Contractor, and Contractor shall be liable for all incidental and consequential damages resulting from its breach, including all damages as provided in the UCC.

Failure to comply with the tax laws of this state or any political subdivision or violation of Contractor's warranties related to compliance with the tax laws of this state and any political subdivision of this state also constitutes a material breach of this PO. Any violation entitles Agency to terminate this PO, to pursue and recover any and all damages that arise from the breach and the termination of this PO, and to pursue any or all of the remedies available under this PO, at law, or in equity, including but not limited to: termination of this PO in whole or in part; collection by administrative offset or garnishment, if applicable, or withholding amounts otherwise due and owing to Contractor without penalty.

**7. HOLD HARMLESS:** *Contractor shall indemnify, defend, and hold harmless the State and its agencies, their divisions, officers, employees, and agents, from all claims, suits or actions of any nature arising out of or related to the intentional misconduct, recklessness or negligent activities of Contractor, its officers, subcontractors, agents, or employees under this PO.*

**8. GOVERNING LAW, JURISDICTION, VENUE:** This PO is governed by Oregon law, without resort to any other jurisdiction's laws. Any claim, action, suit, or proceeding between the State and the Contractor that relates to this PO (Claim) must be heard exclusively in the Circuit Court of Marion County for the State of Oregon. If the Claim must be brought in a federal forum, then it must be heard exclusively in the US District Court for the District of Oregon. Contractor consents to the *in personam* jurisdiction of these courts. *Neither this Section nor any other provision of this PO is a waiver by the State of any form of defense, sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the US Constitution, or other immunity, from any Claim or consent to the jurisdiction of any court.*

**9. FORCE MAJEURE:** Neither party is responsible for delay or default caused by an event beyond its reasonable control. Agency may terminate this PO without liability to Contractor upon written notice after determining the delay or default reasonably prevents performance of this PO.

**10. ASSIGNMENT/SUBCONTRACT/SUCCESSORS:** Contractor shall not assign, transfer, or subcontract rights (Subcontract) or delegate responsibilities under this PO in whole or in part, without the prior written approval of Agency. This PO's provisions are binding upon and inure to the benefit of the Parties to the PO and their respective successors and assigns.

**11. ACCESS TO RECORDS:** Contractor shall maintain all accounting records relating to this PO according to GAAP and any other records relating to Contractor's performance ("Records") for six (6) years from termination or as otherwise required. Contractor shall grant the State and its agencies, the Secretary of State Audits Division, the federal government, and their duly authorized representatives, access to the Records, including reviewing, auditing, copying, and making transcripts.

**12. COMPLIANCE WITH APPLICABLE LAWS:** Contractor shall comply with all applicable federal, state and local laws, regulations, executive orders, and ordinances, as amended (Rules), including: (i) Titles VI and VII of Civil Rights Act of 1964; (ii) Sections 503 and 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990; (iv) Executive Order 11246; (v) The Age Discrimination in Employment Act of 1967, and the Age Discrimination Act of 1975; (vi) The Vietnam Era Veterans' Readjustment Assistance Act of 1974; (vii) ORS Chapter 659; (viii) ORS 279B.020, , and 279B.270; (ix) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations; (x) all federal and state laws governing the handling, processing, packaging, storage, labeling, and delivery of food products; and (xi) all regulations and administrative rules established pursuant to the foregoing laws. Agency's performance is conditioned upon Contractor's compliance with, 279B.220, 279B.225, 279B.230, and 279B.235, as applicable. All applicable Rules are incorporated by reference in this PO.

**13. WORKERS' COMPENSATION:** Contractor shall comply with ORS 656.017 and provide the required workers' compensation coverage, unless exempt under ORS 656.126(2). Contractor shall ensure that its Subcontractors, if any, comply with these requirements.

**14. SAFETY AND HEALTH REQUIREMENTS:** Contractor represents and warrants that the Goods comply with all federal and Oregon safety and health requirements.

**15. MATERIAL SAFETY DATA SHEET:** Contractor shall provide Agency with a Material Safety Data Sheet for any Goods which may release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use (OAR 437- 002-0360 and 29 CFR 1910.1020). Contractor shall label, tag or mark such Goods.

**16. RECYCLABLE PRODUCTS:** Unless otherwise required, Contractor shall use recycled and recyclable products to the maximum extent economically feasible in the performance of the PO. These products shall include recycled paper, recycled PETE products, other recycled products (ORS 279A.010(1)(gg),(hh),(ii)), and other recycled plastic resin products.

**17. AMENDMENTS:** All amendments to this PO must be in writing, signed by Agency.

**18. SEVERABILITY:** If a court of competent jurisdiction declares any provision of this PO to be invalid, the other provisions and the rights and obligations of the Parties remain in effect.

**19. WAIVER:** Agency's failure to enforce any provision of this PO is not a waiver or relinquishment by Agency of its rights to such performance in the future or to enforce any other provisions.

**20. AWARD TO FOREIGN CONTRACTOR:** If Contractor is not registered to do business or has no office in the State of Oregon, Contractor shall promptly provide to the Oregon Department of Revenue and the Secretary of State Corporation Division all information required by those agencies relative to this PO. Agency may withhold final payment under this PO until Contractor has met this requirement.

**21. TAX CERTIFICATION:** Contractor hereby certifies under penalty of perjury: (a) the number shown on this form is the correct Federal Employer Identification Number; (b) it is not subject to backup withholding because (i) it is exempt from backup withholding, (ii) it has not been notified by the IRS that it is subject to backup withholding as a result of a failure to report all interest or dividends, or (iii) the IRS has notified Contractor that it is no longer subject to backup withholding; and (c) it is not in violation of any Oregon tax laws.
